That sounds good.

I'm having a hard time trying to understand exactly what it is that Spanish Lake wants from either us or the Corps, but we can talk about this on Monday. If they have anything to present, I would appreciate it if they could get any documents, etc., to us before our meeting so that I have time to review them.

Raul,

Next week's meetings will take place, however, Bill Honker will not be coming with us. It'll be Jane and myself. Jane and I will get there sometime the morning on Wednesday, 4/8. We can start meetings around 10 a.m. do general introductions and the site visits on that day. On Thursday, 4/9 in the morning, Jane and I will be meeting with Tim Hardy in the morning. We will then drive over to the Corps office for the meeting with the Corp, Tim Hardy, and Jane, you, and I to discuss Spanish Lake. The meeting with the Corp on Spanish Lake can start at 1 p.m. The goal for the 4/9 afternoon meeting is try to facilitate a discussion between the Corp and Tim Hardy on Spanish Lake.

Let me know if you have any additional ideas on the itinerary.

Thanks,

Maria
